I'll have to go and take a look with Rich W. in the warehouse. I'll go and stop over Rich's office and check now.

Hi Mike:

How are you doing? I am in need of 2inches of steel in our Decon area here at Niagara Falls Boulevard Site. I thought of our Wolff pilot study steel instead of renting or purchasing. I just don't recall the dimensions. Do you know off hand?

Hope all is well.

Regards,

Eric
